

Whittier Police Officers Association Presents the 1st Annual
“Shooters Challenge”

The Shooters Challenge is a team pistol competition designed for Law Enforcement Officers. The challenge is designed to test your combat firearm, marksmanship and gun handling skills. Shooters must navigate a series of barricades and utilize a variety of shooting positions to engage multiple targets at each station. Accuracy is a must as each target must be engaged with the proper number of rounds within the designated target area. Shooters will be timed and their team scores combined to determine their score. The Shooters Challenge winning team will be awarded a trophy with their team name and agency on it and a life time of bragging rights! The trophy will remain with the team at their agency for a period of one year at which time they must return and defend their title. If they lose or decide not to compete, the trophy is passed on to the next winning team. There will also be awards to the 2nd and 3rd place teams.

The Shooters Competition is open to all sworn and reserve officers. A 4 person team consist of 3 competitors and 1 team coach. The 3 team members will compete against the other teams for points/time. Coaches will follow each team member through the competition and provide their team member with vital target and strategic information. After all teams have competed, the team coaches will compete in a special competition where they will have an opportunity to earn additional points for their team. Once coaches have completed their event, the scores will be tallied and those placing will be awarded their titles. In the event of a tie their will be a do or die, winner take all shoot out to determine the champions.

All team members need their department approved duty belt, holster and ammo pouches, at least 100 rounds of FMJ handgun ammo ((you can bring more if you want **no hollow point ammunition**), eye and ear protection, and the determination to be the best!

Are you up to the challenge? Then come out for a day of shooting, food and fun! Spectators* are welcome too!
